From the desk of Bob Shuman, Managing Director – Europe, Middle East & Africa. “I’m happy to announce the start of Vermeer ACT as the new dealer for Vermeer in the European part of Russia.”

Vermeer ACT now represents Vermeer sales, parts, service in the European part of Russia

GOES, NETHERLANDS – April 28, 2017

Vermeer Corporation announced today that Vermeer ACT now is the dealership of record serving customers in the European part of Russia. Vermeer officials announced the new representation, as Vermeer ACT begins managing the territory in the Central, Southern, Northwestern, Volga, and Northern Caucasus Federal Districts formerly represented by the Vermeer EMEA (Europe, Middle East and Africa) regional office.

“The Vermeer ACT team is excited to start providing sales, service and parts for Vermeer customers in the Central, Southern, Northwestern, Volga, and Northern Caucasus Federal Districts said Daniel Hooke, Managing Director for Vermeer ACT. “Whether you’re looking to buy new or used equipment or need parts and service for your current machines, the Vermeer ACT team is happy to help you serve your needs.” Hooke said.

“For the near future, we are looking into expanding our physical presence beyond our locations in Moscow and Krasnodar, as this will allow us to provide customer support and service second-to-none. We will keep our customers posted on any development within our organization.” he said. “We are committed to provide the customers the support and service they expect from Vermeer.”
