Vermeer® TD-Series Tedders

:30 Second Radio:

Tired of the weather controlling your hay windrow?

Turn the tables on Mother Nature with faster dry down times with TD-Series tedders from Vermeer.

Designed for the budget-conscious operator who needs a tedder for speed, convenience and reliability.

The two-basket TD100 teds at a compact 10 ft while the TD190 four-basket tedder covers 19 ft and comes equipped with hydraulic folding for quick, easy transport.

When you can't count on the weather, you can count on Vermeer.
