

Vermeer® Rebel® Baler Radio Scripts

:30 Second Radio – Rebel Series Balers

WANT MORE CONTROL OVER YOUR HAY MAKING SCHEDULE? ROLL YOUR OWN BALES! With a Vermeer® Rebel® Baler (and just a 40 hp tractor) you just hitch and go. They're easy to operate ... easy to service ... easy to maintain ... and sensibly priced. Patented true-bottom drum design helps you produce high-density square-shouldered bales, even in heavy windrows and rugged hilly terrain. Now you can roll your own on your schedule, not theirs. ROLL IT WITH A REBEL! Ask the Hay Specialists at _____ in _____ about VERMEER REBEL BALERS ... and discover how simple and easy hay production has become. Call _____ . That's _____ .

:30 Second Radio – Vermeer Rebel Series Balers

WHY SHOP USED OR CHEAP BALERS when you can hitch and go with a new, warranted, ruggedly built Vermeer® Rebel® Baler, built by the people who invented big round baling? Vermeer Rebel Balers are easy to operate (even with just a 40hp tractor). They're also easy to service and maintain AND sensibly priced. THIS TIME ROLL IT WITH A REBEL!
