

# MORE THAN A SILAGE SPECIAL.

The all-new Vermeer 504R Premium baler is fully loaded and comes standard with a silage kit specially designed for high output of high-moisture crops. More than a silage special, this baler is equipped with heavy-duty components, premium belts, a 5-bar camless pickup and the Atlas™ control system. Giving you full control to help handle more capacity in heavy crops, the 504R Premium baler will help you produce good-looking bales in tough conditions. Plus, a Vermeer 3-year pickup warranty\* helps provide peace of mind for silage seasons to come. Silage or not, this is a first-class baler.

\*3-year pickup warranty covers internal components and pickup belts and shafts. Does not include belts of hardware for belts. See local Vermeer dealer for details. Vermeer Corporation reserves the right to make changes in engineering, design and specifications without notice. © 2019 Vermeer Corporation. All rights reserved.
