

2020 VACUUM EXCAVATORS

2020 VACUUM EXCAVATORS

CHOOSE THE ONE THAT'S RIGHT FOR YOUR JOB.

Trenchless expertise has never been in higher demand, and your ability to make a big impact with a small footprint is critical. By combining underground utility and soft-dig industry innovation leaders McLaughlin Group, Inc., Vac-Tron Equipment, LLC, and Vacuum X-Traction Products Inc. (VXP), Vermeer has become the new powerhouse in vacuum excavation technology and equipment.

With a single-point, full-line dealership network, we're leveraging nearly 125 years of vacuum excavation innovation, market expertise and production capability. Today, everything we do, everything we make, is designed to help you get the job done right. Fast. Effectively. And efficiently.
