Vermeer® TM850 Trailed Mower

:30 Second Radio:

Looking for a trailed mower that handles high volume material with lower horsepower requirements? The TM850 trailed mower from Vermeer hooks up to your 60 horsepower tractor with a drop of a pin.

A self-aligning driveline, low-profile cutter bar and nitrogen-charged hydraulic suspension system provide unmatched flex and ground-hugging control on slopes and rugged terrain.

Plus, it comes with a Vermeer 3-year cutter bar warranty. Stop by _____ in _____ and take a look at the TM850 from Vermeer. It trails no other mower.
