

THE REAL DEAL.

Introducing the Vermeer 504R Classic baler. Part-time operators in search of a full-time baler need look no further. A wide pickup and optional bale shape sensors make baling more convenient, and with minimal setup and adjustments required, you'll feel like you've been baling with it forever. A camless pickup and heavy-duty components help maximize durability for prolonged machine life. Take your pick of netwrap, twine or both. With the 3-year pickup warranty*, this machine is the real deal.

*3-year pickup warranty covers internal components and includes parts and labor. Does not include teeth or hardware for teeth. See local Vermeer dealer for details. Vermeer Corporation reserves the right to make changes in engineering, design and specifications, add improvements, or discontinue manufacturing or distribution at any time without notice or obligation. Equipment shown is for illustrative purposes only and may display optional accessories or components specific to their global region. Please contact your local Vermeer dealer for more information on machine specifications.
