

Vermeer® Full Line Radio Script

:30 Second Radio – Full Line

Hay harvesting time? You can mow it ... rake it ... bale it ... wrap it ... move it ... split it ... and feed it ... you can do it all with quality-built Vermeer® hay equipment. And nobody knows more about it than the Foage Specialists at _____ in _____. They have cutters ... rakes and tedders ... balers ... silage bale wrappers, feeders, processors, movers, bale splitters, and bale handlers. It's the kind of selection you'd expect at a place that specializes. And that's exactly what they do. Call _____ today ... the people who specialize in hay.
