

# RANCHERS

# HIT THE GROUND **RUNNING.**

Rancher 6640 and 6650 balers are built for big bale performance and ease of operation. Ranchers with smaller-horsepower tractors can produce large-diameter round bales up to 66 in (167.6 cm) and conveniently move them with a tractor, loader or skid steer. Rancher balers from Vermeer come to work – and earn their keep.

Vermeer Corporation reserves the right to make changes in engineering, design and specifications; add improvements; or discontinue manufacturing or distribution at any time without notice or obligation. Equipment shown is for illustrative purposes only and may display optional accessories or components specific to their global region. Please contact your local Vermeer dealer for more information on machine specifications.
