

# 1: Authorized attachment chart for Vermeer mini skid steers

**WARNING:** Using attachments authorized by Vermeer Corporation is important for your safety. Using unauthorized attachments may cause difficulties with steering, stopping, stability and other undesirable performance or handling characteristics. Never use unauthorized attachments.

Only use attachments that are authorized and approved for the specific machine and configuration. A "●" indicates the attachment can be used with that machine. If there is no "●," the attachment is not intended for use with that model of machine.

This symbol indicates the attachment is designed for use with the large operating capacity machines on this chart.

Vermeer Corporation reserves the right to make changes in engineering, design and specifications; add improvements; or discontinue manufacturing at any time without notice or obligation.
