

A black and white photograph of a worker in a white hard hat and safety vest operating a VermeerOne platform trencher. The machine is cutting a deep trench in the ground, with soil being displaced to the sides. The background shows a line of trees under a clear sky.

VermeerOne™ platform
MEET YOUR FLEET

**PEDESTRIAN
TRENCHERS**

VermeerOneTM is your access to more.

Because it's more than a platform, it's all a part of the total experience you get when you're with Vermeer. More certainty in your operation, more connection to the details, more confidence to increase your productivity and more important work, done. All of it adding up to give you more time for the big things like closing that next big deal, getting home in time for dinner or making it to the school program before the curtain opens. Experience more with VermeerOne platform — it's your connection point to Vermeer no matter where work or life takes you.

THAT MEANS

MORE

**CERTAINTY, CONNECTION, CONFIDENCE AND
TIME FOR THE BIG THINGS.**

VermeerOne

YOUR ACCESS TO MORE STARTS HERE.
