

A large Vermeer One platform machine, specifically a horizontal grinder, is shown in a black and white photograph. The machine is a tracked vehicle with a large hopper on top and a discharge chute on the side. It is positioned on a dirt surface, and a large pile of wood chips is visible on the left side of the frame. The background shows some trees and a cloudy sky.

GRINDERS**

**VermeerOne**<sup>™</sup> is your access to more.

Because it's more than a platform, it's all a part of the total experience you get when you're with Vermeer. More certainty in your operation, more connection to the details, more confidence to increase your productivity and more important work, done. All of it adding up to give you more time for the big things like closing that next big deal, getting home in time for dinner or making it to the school program before the curtain opens. Experience more with VermeerOne platform — it's your connection point to Vermeer no matter where work or life takes you.

—  
**THAT MEANS**

**MORE**

**CERTAINTY, CONNECTION, CONFIDENCE AND  
TIME FOR THE BIG THINGS.**

VermeerOne

# YOUR ACCESS TO MORE STARTS HERE.

## 1. LOGIN

Go to [one.vermeer.com](https://one.vermeer.com) and log in using the username or email and password associated with your Vermeer account.

## 2. FLEET

On the homepage, select Fleet to access your list of equipment.

Information that you will find:

- List of equipment
- Machine health overview
- Filters to apply to narrow your machine list

## 3. EQUIPMENT DETAILS

Information you will find:

- Machine location
- Dealership contact information
- Machine operating parameters

## 4. SERVICE RECORDS AND MAINTENANCE

Information you will find:
